Store in a Store Business Opportunity

Ink & Toner Refill Service

Market Opportunity

- ◇ **InkSpot** saves consumers and small businesses up to 50% on printer, fax and copier cartridges.
- ◇ The market is huge! Every home and small business has a printer. In 2009 over 350 million cartridges were thrown away in North America.
- ◇ Grow with the Think Green movement. **InkSpot** has recycled over 50,000 cartridges to date. Think of the opportunity in your local market.

Store in a Store Concept

- ◇ Place an **InkSpot** in your retail location. Partners include: computer repair, print shops and postal centers.
- ◇ Increase traffic flow, sales and profits through your existing business.
- ◇ High margin, with little incremental costs. Utilize existing floorspace, employees & advertising. Cross sell to current customers & draw new customers.
- ◇ Each **InkSpot** location offers ink refills and a full line of ink & toner compatible cartridges.

Turn Key Start Up & Support

- ◇ **InkSpot** provides a turn key start up package: training, manuals, refill machinery, tooling, test equipment, and start up inventory.
- ◇ **InkSpot** provides ongoing sales and marketing support: price sheets, brochures, ads, coupons, promotional products and website.
- ◇ **InkSpot** provides ongoing training and support: new cartridge training, telephone support, on-site visits to provide technical/marketing/operation reviews.
- ◇ **InkSpot** charges a one time start up fee and a monthly fee.
